Business Goal

Our main goal is to serve the buyers who are interested to work in Bangladesh. Our company is the best communicator or link between buyers and manufactures. We build up the bridge to work in Bangladesh from any country of the world. We work for our customer cordially and perfectly. We always try to meet the requirement of buyers. We provide all the facilities to maintain the quality of the product as per buyers' desires. We always follow the terms and conditions given by buyers. We believe that our

success is really depending on providing the quality/requirement accurately and perfectly in time with great quality.

Company Strengths

Our main strength our stuff, honesty, loyalty, hard working dedication. We have picked all the employees who is best in their prospective field. We have studied a lot to find out the best stuff for their job. They all are working with us since long time. They are very much experienced and professional. They are dedicated to full fill the requirement of their job. They all are too much loyal to their job and in the working field;

- Most of our factories are OEKO-TEX and BSCI certified.
- Capable to handle any (regular item) customized order on specific requirements.
- Experienced and well equipped merchandising department
- Always try to avoid random product checking during production. Rather than we check every product in several steps like cutting, sewing, ironing and packaging.
- Accurate pattern making and sample development facilities.
- Do ensure high quality product and hassle free service.

Business Summary

Business inspiration: Our target is to be the most successful and renowned garments sourcing agency for global clients as to maintain our reputation for credibility and integrity with our customer, vendors and employees.

Business Procedure

Customized solution to global clients must be provided as per their requirements and to achieve consistent high quality levels and on-time delivery schedules, through a team of committed personnel and a proven set of vendors with world class manufacturing facilities. Only to operate without compromising on quality, delivery and profitability. Our mission is to provide our clients with efficient and effective sourcing solution for their requirements. This includes taking a lead role in structuring and executing transaction that benefit our clients and help their business growth.

Efficient Service

- Immediate feedback/reply to customer's inquiry and questions.
- Competitive price in a prompt action and service.
- Continues follow up of each order from raw material to till final packing by quality assurance team.
- Customer keeps on to be posted with all developments taking place at our end to avoid hassle last stage.

Company Responsibility:

Duty for our Client: We keep buyer informed about the trends, new developments in industry, changes in government policy and regulations etc. as far as possible. Informed buyer about new fabrics yarn, designs and fashion trends within our knowledge. Receive buyer visiting Asia, sending invitation letter to obtain visa. Arrange hotel booking, on their behalf plan their meeting with appropriate us & other suppliers and try to provide all reasonable assistance that a buyer may need in a foreign land to make his/her visit comfortable and useful.

Selection of Vendors: We assess factories in terms of

- Product range,
- Excellence of the products,
- Manufacture capability,
- Conveniences,
- Economic potentiality,
- Technology orientation,
- Man power,
- Running Environment,
- Management efficiency and,
- The largely excellence guidelines of the vendors.

Once our initial assessment is conducted, we exchange information with our principles and make an information decision in selected vendors.

Pricing: We scrutinize the quoted price as well as the other suppliers and with our own experience of the cost structure in the country, obtain the most *realistic prices* from them.

Sampling: We provide samples that are developed in our own sample division with incorporate colors, fabrics styles based on the requirements of our buyers. We manufacture samples in quantities as required by our customer. By offering this essential service, we sharpen the marketing efforts of our buyers in their region by giving them an edge over their competition.

Product Quality Organize: Our company strictly controls the mass goods quality by knitting, dyeing & finishing procedure to guarantee the fabrics & yarn be good sense of touch and in the meantime meet the AZO free, FORMALIN FREE green products standard. After getting all the approvals of our size samples, style samples, color dips and other details from the buyer we are going or the mass production. QC service takes place before the bulk fabric is cut. It consists of the elements listed below.

- Reporting of fabrics, yarn and accessories arrival status.
- Visual control of fabrics: weight/m2, color, hand feel.
- Forecast of production timing (Starting date, assigned capacity, daily output and finish date).

- Checking with production supervisors whether they think the style is feasible in conformity with the approved samples. For each issue raised: making a test in the workshop, and reporting the exact result.
- Checking all the issue listed by the client and reporting results.

Compliance Concern

Our compliance policy is based on code of conduct of key buyers. The factory is full compliance with ILO and Bangladesh Labor Law and Accord. Implemented policies are as follow;

- No child labor.
- No forced labor.
- Hours of production.
- Voluntary over time.
- Weekly holiday.
- Annual leave.
- Festival holiday & leaves with bonus.
- Maternity leave and protection.
- Sufficient sanitary facilities.
- First aid box among all the floors.
- Prayer space, separately for gents and ladies.
- Canteen service.
- Day care centre.
- Health care activities for the worker & employ company doctor & full time nurse.
- Smoke detectors & fire extinguishers in each & every floor & conduct fire drill test at least 12 times a year. We are giving a top priority on prevention of fire and eventual evacuation. Result is satisfactory. We have well trained and certified 45 nos. Working team as our fire protection team.

We are improvising, developing & implementing many more other facilities to provide our all working in a friendly manner & atmosphere gradually but following by the strict company rules to be obeyed.

Specialty of our company

Providing sample in the shortest possible time with free of cost, strictly maintain the shipment date along with ensuring the product quality. We also making SALES MAN SAMPLES if buyer required.
